New Year brings new possibilities

Once again, the beginning of a new year will soon be upon us. We look forward to new possibilities and are reminded that we have the ability to be, do, and have anything that we want. Let us recall that there are no mistakes, only lessons; and that the love and happiness we seek could already exist within our grasp. We should all strive to love and be loved. And as we enter the new year of 5780, let us understand that change is part of life. Let's embrace that change because it may help us grow, challenges us, and helps us step out of our comfort zone.

One way to step out of our comfort zone is to focus on the needs of others who may not exist in their comfort zone. And so, we offer the following supplication.

Lord, many are tired and lonely –
Teach us to be their friends.

Many are anxious and afraid –
Help us to calm their fears.

Some are tortured in body and mind –
Imbue them with courage and hope.

Others in their emptiness seek only wealth, fame or power –
Teach us to value other gifts than these.

Some are drained of faith, and are cynical, bored or despairing –
Let our faith shine forth for them to see, that through us they may come to know your love.

And some live with death in their souls; they are stunned violent, and filled with hate –
Give us wisdom to save them from their wasteland of the spirit.

And teach us to show our love to others; let compassion and knowledge lead us towards
the welfare of all who walk this earth –
So that all will know they are not alone.

“On Rosh Hashanah it is written... On Yom Kippur it is sealed.” May it be written and may it be sealed that all of you have a new year that brings fulfillment and happiness, peace and prosperity – and all of life's very best things.

Lori and I and our families wish all of you a “Shanah Tovah Umetukah” - A good and sweet year!

High Holiday Parking

When parking for the High Holidays at CBD or Aqua Blue, please respect our neighbor's property and that of Aqua Blue. The management of Aqua Blue has requested that we NOT park in the hotel's front parking lot located on Beach St. or in spaces that are reserved for Pier Village shopping. There is ample parking behind the hotel in the Pier Village or on the street.

CBD has enacted guidelines for parking at CBD. (Please refer to the parking guidelines on the last page of this newsletter). We have also made arrangements with the Ice House, located at the corner of Kingstown Rd. (one block from CBD) to use its parking lot during the High Holidays.

Food Donations

Community food banks continue to struggle to meet high demands for provisions. As is our High Holiday tradition, we will be collecting non-perishable food during the High Holiday services. We encourage you to bring non-perishable foods in paper bags to any of the High Holiday services. After the holidays, we will distribute Kosher nonperishable goods to the Kosher Food Bank; non-kosher items will be donated to area food banks in South County.

Meet High Holidays Cantor Anita Schubert

CBD welcomes Cantor Anita Schubert who, as High Holidays Cantor, will co-lead our services with Rabbi Adler. Cantor Schubert grew up in Queens and Lynbrook, L.I. She received her bachelor's degree in education at the University of Rochester and a master's degree at the University of Maryland. Anita's interest in leading services developed in the late '80's, as women were able to enter that arena for the first time. After a few years of developing her skills, as well as teaching music and training b'nei mitzvah students for several local Hebrew schools, she felt that the cantorate was indeed the career she was meant to pursue.

Cantor Schubert did most of her cantorial and general music studies in the Washington, D.C. area. Between 1991 and 2001 she served several congregations ranging from Reform to Reconstructionist to Conservative in Bethesda and Columbia, MD; Ocean and Clifton, NJ; and Evanston, IL. From 2001-2015 she served Beth Sholom B'nai Israel, a Conservative synagogue in Manchester, CT. Currently she lives in south Florida and serves several congregations as a b'nei mitzvah instructor and teacher. She is a member of the Cantors Assembly and a past president of the Women Cantors' Network.
